# Product Selection Guide

Confidential for pre-approved  
customers

### 5 TENANTS OF OUR VALUE PROPOSITION

1. Strategic and differentiated OEM supply agreements direct with major Asian & domestic based LED manufacturers.
2. High service: Product & project expertise/consulting, photometric services, warranty support, and credit.
3. We choose our customers. We only work with a select group of pre-approved partners where we add strategic value to their business with a one-on-one relationship
4. All pricing is cost/plus so you can be assured of our best pricing, every time.
5. With full warehousing and a UL LED production facility in Alpharetta, GA, our supply chain capabilities are a competitive advantage for your project execution.

### YOU HAVE A NEW MEMBER OF YOUR TEAM!

My name is **Stacey Peacock**.

I manage the Hypernova LED business and I'm your point of contact.

I'm excited to work with you and your team in improving your product acquisition process. For over a decade, I've helped ensure that lighting projects are delivered on time, on budget, and chaos-free.
